

Insights Independent School

Interesting, interactive and inclusive specialist education for students with additional needs.

10th December 2020

Dear Parents & Carers,

Coronavirus update –Insights School Site Closure

We have been advised that there has been a confirmed case of COVID-19 within the school.

I am writing to let you know that from today until and including the 15th December 2020 (which is the last day of this term), your child should not come into school. This is a result of a high number of staff and students being asked to self-isolate.

This is a difficult decision as we want our students to be in school, however, a risk assessment has been undertaken in conjunction with North West London Health Protection and advice taken from Public Health Ealing. The Craven Road, Alexandria Road and Hub sites will be closed, and all students should return to school on the Tuesday, 5th January 2021. We appreciate that for some families this may cause further anxieties but please be reassured that we are here to support and help.

If you would like more information or have any questions, we ask that email communication is used in the first instance. This will enable us to provide answers to your queries more effectively. Details of email addresses are as follows:

Students access to learning will continue through the virtual learning platforms which can be accessed through the Student Portal via the school website and also the email links provided by the subject teachers and/or form tutors. Please contact your child's form tutor or subject teacher by email or mobile. If you have technical difficulties with accessing ZOOM or Doodle please use the information on the website or email:

Thank you for your continued patience and support during these ever-changing times. We understand that this latest news will have an impact on you and your family and that it's far from ideal, but we will continue to keep in touch with any updates we receive.

We wish you all a safe and relaxing Christmas break and all the very best for 2021.

Warm regards,

Barbara Quartey MBE
