

Insights Independent School

Interesting, interactive and inclusive specialist education for students with additional needs.

Dear Parent/Carer,

Currently, Ealing is a borough in the Covid-19 high alert and police officers have informed us that they are stopping, questioning and searching young people who are walking in the area as we are in a national lockdown.

We are providing breakfast and lunch for all students, the menu for each day is accessible via the website or calling the school office. You can also send your child in with a packed lunch.

In line with the new Government Guidelines we are writing to inform you of the following:

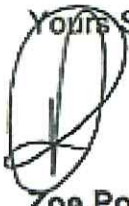

- Students will only be allowed to leave the site to buy lunch, if necessary with a member of staff

OR

- To go for a walk with a member of staff

We are asking for your support in explaining the new rules, to your child attending school during the pandemic.

Yours Sincerely,

Zoe Poulos and Marcus Watson
